

## Attention! Attention! Attention!

### ❖ Change in Presentation of Dose Range: Providers (Starting 2/11/14)

Beginning February 11, to prepare for barcode medication administration, all PowerPlan medication order sentences with a dose range will be updated to reflect **the highest end of the dose range in the dose field**. The dose range will continue to appear in the order comments. For questions, contact:

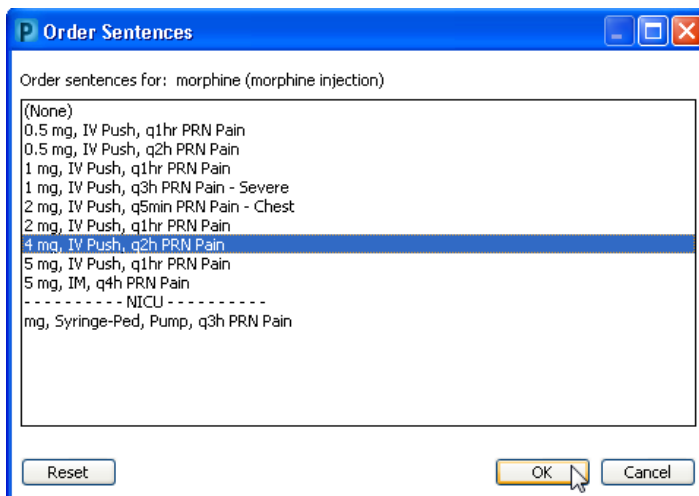

- Barbara Pilliod, RN, MSN, Director of Clinical Informatics, at [barbara.pilliod@columbia-stmarys.org](mailto:barbara.pilliod@columbia-stmarys.org)
- Suzanne Wilkerson, MD, at [swilkers@columbia-stmarys.org](mailto:swilkers@columbia-stmarys.org)

The screenshot below demonstrates how PowerPlan dose range order sentences will appear:

PRN Medications	
<input type="checkbox"/>	Potassium Chloride Supplementation Subphase
