**RE: CPOE PowerPlan Favorites, Revised Implementation Dates**

This is an update to communication sent August 5, 2013 regarding PowerPlan Favorites. That letter listed August 13<sup>th</sup> as the date when changes would be made to base PowerPlans impacting associated saved favorites. Due to delays stemming from concurrent lab hematology order changes, the date has been delayed to September 17<sup>th</sup>.

There will still be a few PowerPlans that will be updated on August 13<sup>th</sup>, but all others listed in the previous communication will remain unchanged until September 17<sup>th</sup>.

The affected August 13<sup>th</sup> plans that have associated saved favorites are:

ED Urinary Tract Admission

COPD Admission

GI Procedures Pre
