

Please post this communication within 24 hours in your Department/Unit.

**Remember: Many answers/clarifications on EHR documentation processes  
Can be accessed through the EHR Intranet site or EHR Learning (Learning Live)**

## ❖ Critical Result Documentation

- When a critical result is received you must document the actions taken. To do this, complete the *Clinical Event: Critical Result* PowerForm from Ad Hoc

Ad Hoc Charting - Rainbow, Ziggy

<ul style="list-style-type: none"> <li>All Forms</li> <li>Admission</li> <li>Behavioral Health</li> <li>Clinical &amp; Security Events</li> <li>Diabetes Treatment</li> <li>Discharge</li> <li>Nursing - Adult</li> <li>Nursing - Mom/Baby</li> <li>Nursing - Burn</li> <li>Nursing - ICU</li> </ul>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Admission Assessment Adult BH</li> <li><input type="checkbox"/> Admission History Adult</li> <li><input type="checkbox"/> Admission History Pediatric</li> <li><input type="checkbox"/> Adult Behavioral Health Education</li> <li><input type="checkbox"/> Adult Burn Education</li> <li><input type="checkbox"/> Adult Feeding Summary</li> <li><input type="checkbox"/> Adult General Education</li> <li><input type="checkbox"/> Adult Immunizations</li> <li><input type="checkbox"/> Advance Directives</li> </ul>	<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Clinical Event: Critical Result</li> <li><input type="checkbox"/> Clinical Event: Medical Status Change</li> <li><input type="checkbox"/> Core Measure: AMI Education</li> <li><input type="checkbox"/> Core Measure: Heart Failure Education</li> <li><input type="checkbox"/> Core Measure: Pneumonia Education</li> <li><input type="checkbox"/> Core Measure: Stroke Education</li> <li><input type="checkbox"/> Core Measure: VTE Education</li> <li><input type="checkbox"/> Daily Treatment Review</li> <li><input type="checkbox"/> Death of a Patient</li> </ul>
